Government of India
Ministry of Agriculture

Department of Animal Husbandry, Dairying & Fisheries

Krishi Bhawan, New Delhi
Dated the 9th May, 2016

To

The Chief Secretary,
Government of Karnataka,
Bengaluru, Karnataka.
(Fax-080-22258913)

**Subject: Confirmation of Avian Influenza among poultry in village Molquera,
Taluka Humnabad, District Bidar of Karnataka.**

Sir,

This is regarding unusual mortality among poultry in village Molquera, Taluka Humnabad, District Bidar of Karnataka.

2. The sample from the said epicenter were sent to NIHSAD (formerly HSADL), Bhopal who confirmed on 07.05.2016 that the aforesaid samples were found positive in RT-PCR and Real time RT-PCR for H5 N1 strain of Avian Influenza virus.
3. State was intimated of the positive results on 07.05.2016. The State was requested to carry out the control and containment operation as per 'Action Plan of Animal Husbandry for Preparedness, Control and Containment of Avian Influenza (2015)' which was circulated to the States by the Government of India in March, 2015. It is also available on Department website (www.dahd.nic.in) under link: Animal Health- Bird Flu. Therefore, control and containment measures as per above Action Plan on Avian Influenza need to be carried out by the State.
4. The Ministry of Health and Family Welfare, Government of India was also intimated in the matter.
5. Necessary actions as contained in the Action Plan of Animal Husbandry referred to above (especially under Part III) are to be completed immediately by the State Government viz: declaration of infected and surveillance areas, restricting access to the infected premises; destruction of birds; disposal of dead birds and infected materials;

clean-up and disinfection followed by sealing of the premises and issue of sanitization certificate; post operations surveillance; imposition of legislative measures etc. along with necessary measures laid down in the Contingency Plan (2005) of the Ministry of Health and Family Welfare, Government of India.

6. The detail of epicenter is given below:-

S. No.	Village/ Block	District
1.	Molkeria/ Humnabad Taluk	Bidar District

7. In addition to the culling strategy mentioned above, surveillance will be carried out over a radius up to 10 kilometers from the epicenter.

8. A daily report on the control and containment operations may please be furnished to this Department by 10 a.m.

9. International Organization, i.e. OIE, will be notified by the Government of India at its level.

10. Surveillance throughout the State may be intensified to monitor further spread of infection.

Yours faithfully,

(Dr. A.J.V. Prasad)

Joint Secretary to the Government of India
