**Subject: Administrative approval for the implementation of Centrally Sponsored
Scheme- "National Livestock Mission" during 2016-17 - reg.**

Sir,

I am directed to convey Administrative Approval of Government of India for implementation of Centrally Sponsored Scheme- "National Livestock Mission", hereinafter referred to as "Mission" for brevity, to States/ UTs with an outlay of **Rs. 29200 lakhs (Rs. Twenty Nine Thousand Two Hundred Lakhs only)** during the financial year 2016-17 with immediate effect.

2. The Mission is designed to cover all the activities required to ensure quantitative and qualitative improvement in livestock production systems and capacity building of all stakeholder. The Mission is comprised of following four Sub-Missions:

a) Sub-Mission on Livestock Development

The Sub-Mission on Livestock Development includes activities to address the concerns for development of livestock species, other than cattle and buffalo, with a holistic approach covering poultry as well. Risk Management (Livestock Insurance) component of the Sub-Mission will, however, cover the indigenous / crossbred milch animals, pack animals (Horses, Donkey, Mules, Camels, Ponies and Cattle and Buffalo males) and Other livestock (Goat, Sheep, Pigs, Rabbit, Yak and Mithun).

b) Sub-Mission on Pig Development in North-Eastern Region

There has been persistent demand from the North Eastern States seeking support for all round development of pigs in the region. Therefore, pig development in the North Eastern Region is being taken up as a Sub-Mission of NLM. The Sub-Mission will stride to forge synergies of research and development organizations through appropriate interventions, as may be required for holistic development of pigs in the North Eastern Region.

c) Sub-Mission on Fodder and Feed Development

The Sub-Mission will try to address the problems of scarcity of animal feed resources, in order to give a push to the livestock sector making it a competitive enterprise for India, and also to harness its export potential. The Sub-Mission will specially focus on increasing both production and productivity through adoption of improved and appropriate technologies best suited to specific agro-climatic region in both arable and non-arable land.

The Sub-Mission will provide a platform to develop or adapt the knowledge in collaboration with farmers, researchers and extension workers, wherever it is not possible to achieve through existing arrangements.

3. The revised Operational Guidelines along with detailed pattern of assistance will follow. Piecemeal proposals and untimely submission of proposals must be avoided. 4. The funding of the Sub- Mission mentioned under 2(a) to (d) in para (2) shall be in the sharing ratio of 60:40 between the Centre and the States for those schemes for which the Central share was higher earlier. However, for those scheme for which the Central share was 60% or lower the same will continue as per the existing Guidelines. Further for the eight North-Eastern and three Himalayan States this ration of sharing between Central and State will be 90:10. It is clarified that in these eight North Eastern States and three Himalayan States for those schemes for which the Central Share was 90% or lower the same will continue as per the existing Guidelines.
